

Murrumba State Secondary College Website Risk Review Register (WRRR) Ver June 2020

Parents/Caregivers – This document is to be read in conjunction with the MSSC Web Based Services Consent Form. In the case of the services outlined below they are private companies that are hosted and the files are stored either onshore in Australia or outside of Australia. Outside of Australia means that data that is entered to register for these sites will be stored on servers that are not based in Australia and therefore are not bound by Queensland’s privacy laws. If you have any questions or concerns relating to a particular website or app, email BYOD@murrumbassc.eq.edu.au.

Guidelines when creating student accounts

When creating a login for students the following security controls are adhered to:

Students can use their departmental email address and username when creating a login. Students cannot not use departmental passwords.

Students are not to use personal information when creating student accounts. Use “placeholder information” for the fields: Family Name, Middle names, Password, DOB, Gender and other input fields. Example: Susan (No

No photos of students are to be uploaded. Wherever possible, the use of avatars or fictional characters when interacting with a website/app are to be utilised.

Students are not to complete fields that are not mandatory.

Students are instructed not to use the social media sharing features or the Invite Friends function available on certain websites.
