

## 2026 STUDENT RESOURCE SCHEME HOW TO PAY

Dear Parent /Caregiver,

Please find attached documents relating to the 2026 Student Resource Scheme. These forms are standardised throughout state schooling and are explained below. Invoicing for the 2026 Student Resource Scheme will begin Week 4 Term 4 2025. We have revised the SRS for 2026 and the fee of \$200.00 for all students across all year levels will remain.

### PARTICIPATION AGREEMENT FORM

This is where you decide whether you wish to participate in the scheme. If you have previously opted into the SRS your participation is assumed for the remainder of your child's enrolment, unless you inform the College otherwise by completing a new participation agreement form.

Points for your attention:

15. Parents who choose **not** to participate in the SRS are responsible for providing their student with all items that would otherwise be provided to the student by the SRS to enable their student to engage with the curriculum.
18. As the SRS operates for the benefit of participating parents and is funded from participation fees, SRS resources will not be issued to students whose parents choose not to participate in the SRS.
