

\$2759.39 worth of Digital tools for free!

Published by Craig Boardman

Murrumba State Secondary College is now a full BYOD (Bring Your Own Device) school for all attending students. Did you know as a student of Murrumba State Secondary College, within Education Queensland, your child can access a range of digital tools for free!

The College has worked for 5 years to inform and support parents/caregivers in the phased implementation of the BYOD model. Senior Secondary students are offered a diverse range of device options to suit individual learning styles, while the iPad is the preferred device for Junior Secondary. Once the initial purchase of a device has been invested, there are a range of software savings that all students can access. These are:

Microsoft Office 365 - \$129 RRP

Students can download Microsoft Office 365 **free of charge** on up to five different devices. To download onto a tablet or iPad simply download the app and sign in with the student's school email address. For PC and Mac, visit portal.office.com and login using the student's school email address and password and follow the onscreen processes to install.

Adobe Creative Cloud - \$285.89 RRP

Murrumba State Secondary College purchases an annual subscription of the Adobe Creative Cloud Desktop apps suite, which enables the CC Design and Web Desktop apps to be installed on all student BYOD devices for **free**. Requests for this software can be completed through the IT department at iServices. Complete Master Collection is not included.

Autodesk - \$2344.50 RRP per year for a 3 year subscription

Autodesk is available for **free** from the [Autodesk's Education Portal](#). Students are able to obtain a 3 year license by creating an account with their school username.

That's a total saving of \$2759.39!!!

BYOD Purchasing Portals offers further potential savings

We have worked with suppliers Apple, JB HiFi, HP & Datacom to provide our students with competitive education pricing whilst also providing support, warranty & finance solutions.

To take advantage of all these digital tools and opportunities start by selecting BYOD for 2019 on the college website: WWW.MURRUMBASSC.EQ.EDU.AU
