

## Parent & Citizen's Individual Scholarships and Awards

### Application Guidelines

Murrumba State Secondary College offers a rich curriculum that embraces all manner of competitions and challenges in the academic, sporting and cultural fields. We actively encourage and support the participation of our students in these endeavours. The Parents and Citizens' Association recognises that there can be significant costs associated with selection in representative teams, competitions etc, participating as individuals representing Murrumba State Secondary College. Accordingly, the P&C offers support to participants through the Parents and Citizens' Association Scholarship & Awards program. This is an endorsement of the value we place on the provision of a challenging and rewarding education provided at Murrumba State Secondary College.

An official application form must be completed and submitted to the P&C Association for approval. All sections must be completed, including endorsement by teaching staff and school administration, to be obtained prior to submitting application. The Scholarship provides support at three levels of representation; state, national and international. The following criteria apply for successful application.

The application must be submitted on official application form and forwarded to the Murrumba State Secondary College P&C Association within two weeks of completion of event. This will then be presented at the next meeting, and notification of the success of the application will follow.

- Only one application for assistance will be granted each calendar year per student.
- The applicant must be able to demonstrate support from the College through endorsement by teaching staff and school administration.
- The applicant must have gained selection to represent the College through an official selection process affiliated with the State Secondary Schools Sporting Association.
- An outline of the applicant's performance/experience will be submitted to the P&C and which may be published in the College newsletter.
- Should the application be successful, the following financial thresholds apply:

State Representation	\$200
National Representation	\$300

In the case that a student competes at an elite level in an activity which does not meet the criteria of 'representing the College through an official selection process affiliated with the State Secondary School Sporting Association' their application will be tabled for consideration by the Committee for a bursary to amount of \$200. All other existing eligibility criteria will remain.

In the event that a student is selected to represent at an International Level, the financial support provided will be at the discretion of the P&C Association.
