

Expression of Interest

Enrolment - Murrumba State Secondary College 2022

Please Note:

- This form is only an expression of interest for enrolling your child at Murrumba State Secondary College. Submission of this form does not constitute enrolment into the College.
- An Enrolment Management Plan (EMP) is in place for Murrumba State Secondary College, with a corresponding boundary catchment map.
- Students who are age appropriate and comply with the criteria in the Enrolment Management Plan, and whose parents can verify they permanently reside within the catchment, will be contacted to commence a formal enrolment process.
- Students who do not permanently reside within the catchment area, will be placed on a waiting list and will be assessed according to the criteria set out in the Enrolment Management Plan. Contact will be made with parents/caregivers to notify of the result of this assessment.
- This form may be subject to change due to course availability.

Support Program

If you answer yes to any of the following questions please comment further in shaded space provided

Has your child been formally assessed for Special Education Support?	
MSSC offers a variety of support for students diagnosed with an Intellectual Impairment or Autism Spectrum Disorder. Will your child be accessing this service?	
Does your child have any vision, hearing, speech or movement problems?	
Does your child have any learning difficulties?	
Has your child received any assistance from the Support Teacher or a teacher aide during the last two years?	
Has your child ever been referred to the school Guidance Officer?	
Has your child ever attended any agency to address behavioural / emotional difficulties?	
Is your child on any regular medication or do they have any serious allergies/medical conditions?	

Extension Program

At Murrumba State Secondary College we ensure our students are continually challenged through access to a range of high quality curricular and co-curricular learning experiences as well as through structured extension activities. For students with exceptional talents, we offer excellence programs across a range of disciplines. Additionally, students receive targeted support and guidance in areas including curriculum differentiation, acceleration, early entry to university, etc. Are you interested in any extension programs, if so which programs.

Subject/s Area:

Getting to Know You

- Have you held any leadership positions? These could be either at school or elsewhere? Please provide details:
- Have you participated in any representative activities/teams at school? Eg Optiminds, sport.
- Do you have any concerns about attending high school?
- What are you looking forward to most about high school?
